

Special Atami Experience Tour Guide

Local experience, Accommodation, Nature, Dining, Ocean view, Hot springs

A luxurious and special 2-day experience only available through this tour, October 24, 2024

Enjoy local ingredients while we guide you through the former Hyuga family's Atami villa (a nationally designated important cultural property), Tozan-so (a nationally registered tangible cultural property), and Kiun-kaku (an Atami city designated tangible cultural property) over two days. Your stay will be at a dreamy, top-class inn for a special experience.

This tour offers a condensed version of Atami's charms, including delicious cuisine, architecture designed by German master Bruno Taut, traditional Japanese gardens, and elegant geisha performances.

DAY 1

> ⌚ 12:15~ Lunch at "Fufu Atami Konoma no Tsuki"

Enjoy a seafood bowl at "Sushi Kappo Umi no Yuha" in Fufu Atami Konoma no Tsuki.

> ⌚ 13:40~ Prayer and shrine tour at Kinomiya Shrine

Experience a prayer session and guided tour of Kinomiya Shrine.

The symbol of Kinomiya Shrine is a giant camphor tree said to be over 2,100 years old.

This enormous tree is like a natural work of art. Its thick trunk stretches powerfully towards the sky, overwhelming all who see it.

Prayer session

> ⌚ 15:30~ Refresh at Jukkoku Pass

Standing at the summit, true to its name "Jukkoku Pass," you can enjoy a 360° unobstructed panoramic view including Mt. Fuji, the Southern Alps, Suruga Bay, and even the Boso and Miura Peninsulas.

DAY 2

> ⌚9:00~ Guided tour of the former Hyuga family's Atami villa, a nationally designated important cultural property

Enjoy the architectural beauty of renowned German architect Bruno Taut at the former Hyuga family's Atami villa.

This is the only remaining Taut architecture in Japan.

Bruno Taut's underground space creation

The basement rooms showcase Taut's extensive use of Japanese natural materials to create a unique atmosphere.

It consists of three rooms: a social room using bamboo and paulownia, a Western-style room with integrated stairs, and a Japanese-style room, all designed with Japanese aesthetic principles like those found in Katsura Imperial Villa.
